

Esker Software appoints Danny Mercer-Moore to strengthen channel operations throughout Asia Pacific

SYDNEY, Australia, 10 May, 2005 – Esker Software, the leading provider of intelligent document delivery solutions, today announced the appointment of Danny Mercer-Moore to the role of Channel Development Manager Asia Pacific.

Previously with Trend Micro, where he was responsible for driving channel sales through existing and newly developed channels, Mercer Moore brings with him almost ten years experience within the IT industry on an international level.

Danny's appointment earmarks an exciting time for the growth of Esker Software in this region, " said Managing Director of Esker Software Australasia – James Elkington. "We look forward to Danny bringing his skills and expertise to our channel partners in this region to help Esker and our partners achieve our goals."

Mercer-Moore will began in the role on May 2 and has attended training at Esker's head office at Lyon in France. Mercer Moore will be based in Esker's Sydney offices.
