

Esker Acquires e-integration GmbH, Strengthening Its EDI Position in Germany and Globally

Sydney, Australia March 14, 2017 — Esker, Inc., a worldwide leader in document process automation solutions and pioneer in cloud computing, today announced it has finalised the acquisition of e-integration GmbH, the Düsseldorf, Germany-based electronic data interchange (EDI) service and solution provider. Esker's intent to acquire the company was first announced in October 2016.

Offering a suite of EDI services and solutions, e-integration covers a wide range of solutions for the automation of order management, e-invoicing, logistics, procurement and other business-critical processes. Its online platform currently connects more than 7,000 companies worldwide. The acquisition of e-integration will allow Esker to further grow and develop in Europe's leading market, increase its revenue in the German market, and strengthen its German and global customer base with 600 new active accounts, comprised of mid-sized industrial companies.

Esker has also acquired a 20 percent share in e-integration's PROmitea business, a cloud-based application, which will continue to be managed by its majority shareholder. PROmitea helps companies automate procurement, sourcing and supplier relationships.
